

Named, tagged trees on the Mahogany Trail, La Milpa Ecolodge and Research Center

Look for aluminum tags nailed or wired to the tree. Tags will have number and name. Some numbers may be out of order as you walk the trail. Some scientific names on the tags may differ from those in this list. Names in this list have been updated according to recent taxonomic revisions.

Compare the characteristics of each tagged tree with the description and field marks given in *Trees of La Milpa*, which you can download on the *Field guide to trees* page in this website.

Tag #	Species	Common name	Family
1	<i>Tabernaemontana donnell-smithii</i>	cojotón	Apocynaceae
2	<i>Exostema mexicanum</i>	sabac ché	Rubiaceae
3	<i>Aspidosperma cruentum</i>	mylady	Apocynaceae
4	<i>Mariosousa usumacintensis</i>	jesmo	Fabaceae: Mimosoideae
5	<i>Vachellia gentlei</i>	bull's horn acacia	Fabaceae : Mimosoideae
6	<i>Metopium brownei</i>	poisonwood, chechem	Anacardiaceae
7	<i>Rinorea hummelli</i>	wild coffee	Violaceae
8	<i>Ampelocera hottlei</i>	female bullhoof	Ulmaceae
9	<i>Simira salvadorensis</i>	john crow redwood	Rubiaceae
10	<i>Pouteria reticulata</i>	zapotillo	Sapotaceae
11	<i>Trichilia pallida</i>	carbón del río	Meliaceae
12	<i>Cryosophila stauracantha</i>	escoba, give-and-take	Areaceae
13	<i>Pseudolmedia spuria</i>	cherry	Moracee
14	<i>Pouteria campechiana</i>	ciruela	Sapotaceae
15	<i>Metopium brownei</i>	poisonwood, chechem	Anacardiaceae
16	<i>Cupania belizensis</i>	grand betty	Sapindaceae
17	<i>Mouriri mytilloides</i>	jug	Melastomataceae
18	<i>Alseis hondurensis</i>	wild mammee	Rubiaceae
19	<i>Brosimum alicastrum</i>	breadnut, ramón	Moraceae
20	<i>Hirtella americana</i>	pigeon plum	Chrysobalanaceae
21	<i>Trichilia minutiflora</i>	wild lime	Meliaceae
22	<i>Pouteria amygdalina</i>	silión	Sapotaceae
23	<i>Astronium graveolens</i>	jobillo	Anacardiaceae
24	<i>Chamaedorea</i> sp.	xate	Areaceae
25	<i>Dracaena americana</i>	candlewood	Dracaenaceae
26	<i>Cosmocalyx spectabilis</i>	---	Rubiaceae
27	<i>Sideroxylon foetidissimum</i>	cream tree	Sapotaceae
28	<i>Pouteria reticulata</i>	zapotillo	Sapotaceae

29	<i>Piper psilorhachis</i>	Spanish elder	Piperaceae
30	<i>Manilkara zapota</i>	chicle, sapodilla	Sapotaceae
31	<i>Sabal mauritiiformis</i>	botán palm	Areaceae
32	<i>Pouteria amygdalina</i>	silión	Sapotaceae
33	<i>Vitex gaumeri</i>	yashnik, fiddlewood	Lamiaceae
34	<i>Gaussia maya</i>	palmasito	Areaceae
35	<i>Simarouba amara</i>	negrito	Simaroubaceae
36	<i>Pseudobombax ellipticum</i>	mapola	Malvaceae
37	<i>Protium copal</i>	copal	Burseraceae
38	<i>Drypetes brownii</i>	male bullhoof	Putranjivaceae
39	<i>Licaria peckii</i>	timbersweet	Lauraceae
40	<i>Coussapoa oligocephala</i>	matapalo	Cecropiaceae
41	<i>Guettarda combsii</i>	glassywood	Rubiaceae
42	<i>Zygia</i> sp.	--	Fabaceae : Mimosoideae
